1ST-5TH NOVEMBER 2021, AT IMPERIAL HOTEL, KISUMU.**

The Public Procurement and Asset Disposal act 2015 has been in force since 7th January, 2016. To operationalize the Act, the National Treasury issued the Public Procurement and Asset Disposal Regulations 2020 in July, 2020. The Standard Tender Documents (STD) were developed and recently issued by the Public Procurement Regulatory Authority (PPRA) as per section 9(1)(f), 58 and 70 of the Act.

Following the release of the Standard Tender Documents, Kenya Institute of Supplies Management (KISM) defined a roll-out plan to train procurement practitioners on all the 23 new Standard Tender Documents as issued by PPRA. This particular workshop is designed to examine the STD for Procurement of works – Roads, Water bridges; STD for Procurement of Performance – based contracts – Road maintenance; and STD for Procurement of maintenance services.

You are invited to attend and, or nominate staff to participate in this workshop. Kindly confirm participation by clicking on the link below:
