RE: UPDATE ON NOTICE OF INTENTION TO GAZETTE ALL LICENSED SUPPLIES MANAGEMENT PRACTITIONERS AS PER SPM ACT 2007 AND REGISTRATION & LICENSING REGULATIONS 2015

The Kenya Institute of Supplies Management (**KISM**) is established under Section 3(1) of the Supplies Practitioners Management Act, 2007 (the SPMA) to, amongst other functions, register, license all supplies practitioners in Kenya and to regulate their practice.

This communication serves as an update to our earlier notice of intention to publish the Institute's first-ever Kenya Gazette for all licensed Supplies Management Practitioners dated **21st July, 2021 and 31st August, 2021**. Apart from updating the list of licensed practitioners we have also attached the list for members who have renewed their status for year 2021; a total tally of **1,906 and 4,827** licensed practitioners and renewed membership respectively is updated as per this communication as summarized below.

Previous List of licensed practitioners. 31.08.2021	Current List of licensed practitioners. 30.09.2021	Membership renewal for 2021 as at 30.09.2021

An updated full list of all **licensed practitioners and membership register** is now posted on the Institute's website for your scrutiny. Any feedback and member concerns should be addressed to the Registrar through registrar@kism.or.ke. We thank you for the support given as we prepared this final provisional list in readiness for gazettelement.
