INTRODUCTION

The Kenya Vision 2030 aims to transform Kenya into a newly industrialising, middle-income country providing a high quality of life to all its citizens by 2030, in a clean and secure environment. The Vision calls for change in all the sectors and players of the economy in order to achieve this great dream for and by the people of Kenya. Change is a constant; and ability to incorporate necessary change into everyday operations plays a direct role in long-term success. Change leadership, hence, revolves about thoughtful and strategic approach to desired change.

This SCM leadership course is designed to enhance understanding of the operating environment, inspire necessary change, establish robust strategies, policies, processes and structures that will enhance the contribution of Procuring Entities to the attainment of the Kenya Vision 2030.

COURSE OBJECTIVES

By the end of the workshop participants should be able to:

1. Demonstrate understanding of the contribution of PSCM to the Kenya Vision 2030.
2. Demonstrate understanding of the legal and regulatory framework in public procurement.
3. Ensure that organisations meet the compliance and reporting obligations under the procurement law.
4. Facilitate establishment of appropriate procurement strategies, policies, structures and processes within organisations.
5. Support effective implementation of procurement plans and processes to achieve the objectives of public sector procurement within the confines of procurement law.
6. Lead desirable change.
