KISM/2022c.

Dear Sir/Madam,

RE: ENHANCING ETHICS IN PUBLIC PROCUREMENT WORKSHOP, 23RD TO 27TH MAY 2022, AT PRIDE INN FLAMINGO BEACH RESORT & SPA, MOMBASA.

The Corruption Perception Index (CPI) ranks countries and territories around the world by their perceived levels of public sector corruption. According to Transparency International, the CPI global average for year 2021 remained unchanged for the tenth year in a row, at just 43 out of a possible 100 points despite multiple commitments.

In Kenya, the National Integrity Academy (NIACa) is established by the Ethics and Anti-Corruption Commission (EACC). The Academy draws its mandate from Section 53 of the Leadership and Integrity Act, 2012 provides for the provision of long-term education and training on leadership and integrity to: all public officers, all levels of the education system and the public. On the other hand, the Kenya Institute of Supplies and Management (KISM) draws its mandate from the Supplies Practitioners Management Act of 2007 and strives to “promote professionalism in SCM”.

Based on their mandates, EACC (via NIACa) and KISM have developed this joint training program to discuss ethics and corruption as a major challenge in Procurement and Supply Chain Management (PSCM) practice in Kenya.

You are invited to attend and, or nominate staff to participate in this workshop. Kindly confirm participation by clicking on the link:
