Dear Sir,

**RE: RESCHEDULE OF THE HEADS OF PROCUREMENT (HOP'S) FORUM ON CHALLENGES IN IMPLEMENTATION OF THE NEW STANDARD TENDER DOCUMENTS.**

The Kenya Institute of Supplies Management is a corporate body established through an Act of Parliament, the “Supplies Practitioners Management Act, 2007”. The mandate of KISM is to make provision for the training, registration, and licensing of supplies practitioners; to regulate their practice and for connected purposes. The Institute serves as the National body for Procurement and Supply Chain Professionals in the private and public sectors in Kenya.

In regards to our commitment of ensuring professionalism in the practice, we have taken note of some challenges in planning for this forum and as such we wish to postpone the forum to a later date.

We therefore advise that we shall reschedule this programme to the 2nd week of May. The new dates of the forum will be the **9<sup>th</sup> to 11<sup>th</sup> May 2022 at Naivasha.**
