Dear Sir,

RE: PROCUREMENT FOR WORLD BANK FINANCED PROJECTS; WORLD BANK'S NEW PROCUREMENT FRAMEWORK WORKSHOP, 30TH MAY- 10TH JUNE 2022 AT TRAVELLERS BEACH HOTEL & CLUB, MOMBASA.

World Bank rolled out its New Procurement Framework in July 2016 and is cognizant of the need for capacity building both within the Bank and Client countries. The Bank has consistently helped Clients' countries build their internal capacity and strengthen institutions and systems for enhanced service delivery to its citizenry and for better and improved public investment. To this end, KISM and the World Bank have partnered to jointly deliver capacity building workshops on the new procurement framework in the next few years. This is the third workshop under this arrangement and it will be delivered by both KISM and World Bank trainers. The course will delve into the details of specific procurement procedures under the Bank's procurement framework.

You are invited to attend and, or nominate staff to participate in this workshop. Kindly confirm participation by clicking on the link:
