**KISM/2022c.**

Dear Sir,

**RE: INVITATION TO SPONSOR KISM SUPPLIER SYMPOSIUM, 5<sup>TH</sup> TO 7<sup>TH</sup> SEPTEMBER 2022, AT KENYATTA INTERNATIONAL CONVENTION CENTER (KICC), NAIROBI.**

Kenya Institute of Supplies Management has organized a symposium whose main objective is to bring together government (regulators), financiers, buyers and suppliers as key players in supply chains. The symposium, themed “**Exploring Synergies in Procurement and Supply Chain Management**”, is designed to incorporate exhibitions and training on key areas of synergy for the mentioned players in supply chains.

The symposium presents an opportunity for suppliers & financiers to showcase their products/services and an opportunity for buyers to gain in-depth understanding of the products/services offered in the market. Knowledge on sources of funds/financing models for both the suppliers and buyers will be shared. Light will be shed on public procurement opportunities presented by the Government of Kenya to its citizens. Sponsors and exhibitors will have an opportunity to interact with over 5,000 persons in PSCM during the three-day symposium.
