EVENTS

Dear Colleagues and Friends,

The supply chain and logistics industry plays a pivotal role in driving economic growth, enhancing trade, and fostering sustainable development. In East Africa, especially Kenya, a nation known for its vibrant and dynamic business environment, this sector is of utmost importance. It is a catalyst for progress, connecting businesses, people, and communities across borders and continents.

Following the success of the Supply Chain & Logistics Global Series in S.E.A., it is with great pleasure and enthusiasm that I invite you to the East Africa's flagship version, the Supply Chain & Logistics Summit East Africa 2023 on 29 - 30 August at the KICC in Nairobi, Kenya.

The Supply Chain & Logistics Summit East Africa serves as a platform for sharing knowledge, exchanging ideas, and exploring innovative solutions that will shape the future of this industry. This summit goes beyond mere discussions; it is a unique opportunity for networking, forging partnerships, and building lasting connections. Engage with fellow professionals, industry pioneers, and solution providers, and take advantage of the vast knowledge and expertise present in this gathering.

Join us for a high impact event where our distinguished panel of speakers and thought leaders will:

- Delve into global supply chain trends from international markets
- Cutting-end technology and transformation strategies that are driving efficiency and resilience in supply chains
- Share expert analysis to help you understand the benefits of data and technology in strengthening your value chains
- Help you understand how improving localization can benefit your business
- Delve into the complexities of global trade, explore emerging markets, and discuss strategies to mitigate risks and disruptions
- Share best practices in building and managing complex supply chain and distribution touch points
- Network with over 200 Supply Chain Leaders through our physical and digital platforms that allows you to
- engage your fellow attendees directly!

Do not miss the opportunity to equip yourself with the tools that will give you an edge on your competition!

We look forward to seeing you at the event!

Warm regards,

Nazrul Aman
