

## FELLOWSHIP CONFERNMENT CITATIONS

### 1. FELIX KIPTARUS KOSKEI, EGH

#### **Chief of Staff & Head of Public Service, Executive Office of the President, Republic of Kenya**

“Distinguished guests, it is my great honor to present **Felix Kiptarus Koskei, EGH**, a distinguished public administration and supply chain strategist whose career spans over **26 years** of exemplary service in governance, procurement, and public service reform. Appointed as **Chief of Staff and Head of Public Service in October 2023 by President William Ruto**, Mr. Koskei is widely recognized as a reform champion, leading transformative initiatives that have strengthened Kenya’s public service and professionalized supply chain management.

Born in **Tinderet, Nandi County**, Mr. Koskei holds a **BSc and MBA in Strategic Management from the University of Nairobi**, and has received additional professional honours from the **University of New Brunswick (Canada)** and the **University of Botswana**. He recently graduated with a **Master of Science Degree in Zoology (Agricultural Entomology) from the University of Nairobi**. Mr. Felix is a proud **member of CIPS and KISM**, reflecting his deep commitment to professional excellence and continuous leadership in public service.

Throughout his career, Mr. Koskei has held leadership positions at the Kenya Civil Aviation Authority and the Kenya National Highways Authority, culminating in his role as Cabinet Secretary for Agriculture in 2013. He is recognized as a reform champion, leading transformative initiatives including the rollout of the Electronic Government Procurement system, the Zero-Fault Audit Regime, and the professionalization of supply chain practices.

His legacy includes mentoring over 20 young CEOs in government and professional platforms, representing Kenya in global procurement forums, and strengthening mandatory licensing and professional standards for supply chain practitioners.

Mr. Koskei’s distinguished contributions and achievements include:

- Leading the transformation of the **Supplies Branch into the Kenya Procurement and Disposal Agency (KEPDA)**, modernizing procurement processes and institutional capacity.
- Spearheading the **Electronic Government Procurement (e-GP) system rollout**, enhancing transparency, accountability, and efficiency across national procurement operations.
- Playing a key role in drafting the **Public Procurement & Asset Disposal Act (2015)**, laying the foundation for modern, regulated procurement governance in Kenya.

## **FELLOWSHIP CONFERNMENT CITATIONS**

- Introducing the **Zero-Fault Audit Regime**, strengthening public sector governance and reducing operational inefficiencies.
- Serving in leadership roles at the **Kenya Civil Aviation Authority** and **Kenya National Highways Authority**, overseeing procurement, supply chain, and support services.
- Serving as **Cabinet Secretary for Agriculture in 2013**, where he led policy reforms, institutional capacity building, and governance improvements in the sector.
- Contributing as a **member of the Judicial Service Commission (JSC)**, supporting reforms in public service accountability and governance standards.
- Mentoring over **20 young CEOs and emerging leaders** across government and professional platforms, fostering the next generation of public service leaders.
- Representing Kenya in **international procurement and governance forums**, enhancing the country’s profile in global supply chain management.
- Strengthening professional standards through **mandatory registration and licensing for practitioners**, advancing professionalism and ethical practice in procurement and supply chain management.
- Driving public sector reforms, institutional capacity-building initiatives, and governance improvements that continue to shape Kenya’s public service landscape.

In recognition of his **exceptional leadership, transformative contributions to governance and procurement, and unwavering commitment to public service excellence**, we proudly confer Fellowship upon **Felix Kiptarus Koskei, EGH.**”

## FELLOWSHIP CONFERNMENT CITATIONS

### 2. ALEX LEONARD MUSUNGU

#### Procurement Manager, National Oil Corporation of Kenya

“Distinguished guests, it is my honour to present **Alex Leonard Musungu**, a highly accomplished supply chain professional whose career spans over **26 years** of dedicated service in both Kenya’s public and private sectors. Mr. Musungu has been a driving force in the professionalization, governance, and ethical practice of procurement, shaping the standards and practices that define modern supply chain management in Kenya.

He holds an **MSc in Procurement & Logistics from Jomo Kenyatta University of Agriculture and Technology (JKUAT)** and a **BSc in Wood Science & Technology from Moi University**, and he is a proud **member of both CIPS and KISM**, reflecting his commitment to continuous professional excellence.

Mr. Musungu’s distinguished contributions and achievements include:

- Serving as a **Council Member of the Kenya Institute of Supplies Management (KISM) from 2005 to 2008**, contributing to strategic planning, governance, and professional standards development.
- Over **15 years as a trainer and consultant at KISM**, leading capacity-building initiatives, curriculum development, and professional mentorship programs.
- Playing a pivotal role in the **national rollout of Kenya’s Electronic Government Procurement (e-GP) system**, enabling digitized, transparent, and efficient procurement processes.
- Developing policies, frameworks, and Standard Operating Procedures that **enhanced organizational efficiency and governance** across public and private sector entities.
- Recognized nationally as **Experienced Supply Chain Professional of the Year in 2021 and 2022**, highlighting his impact and excellence in the field.
- Mentoring **over ten senior supply chain officers**, equipping them with strategic, technical, and ethical competencies for leadership roles.
- Contributing to **curriculum development at KISEB and Kenya School of Government**, ensuring alignment with professional standards and evolving industry requirements.
- Promoting ethical practice, accountability, and transparency in public sector supply chain management, shaping policy reforms and capacity-building programs.

### FELLOWSHIP CONFERNMENT CITATIONS

- Advising organizations on **digital procurement adoption, process optimization, and professional development strategies**, driving efficiency and innovation.
- Serving as a thought leader and resource person in multiple **national forums, workshops, and professional networks**, influencing supply chain governance and policy direction.

In recognition of his **visionary leadership, transformative impact on procurement practices, and unwavering dedication to professional excellence**, we proudly confer Fellowship upon **Alex Leonard Musungu**.

## FELLOWSHIP CONFERNMENT CITATIONS

### 3. LINDA SUSAN INGARI

#### Supply Chain Management and Governance Expert

“Distinguished guests, it is my honour to present Linda Susan Ingari, a distinguished supply chain management and governance professional, global trainer, and academician whose 23-year career has significantly shaped Kenya’s supply chain profession. Her work spans education, professional regulation, public governance, and national development, leaving a lasting impact on standards, accountability, and leadership in the sector.

Ms. Ingari holds an MBA and a Bachelor’s degree from Kenyatta University and is currently pursuing a PhD in Business and Management, specializing in Supply Chain, Operations, and Logistics Management at Strathmore University. She is an active member of CIPS, CILT, and KISM, demonstrating her commitment to professional excellence and continuous learning.

Among her notable achievements:

- Linda has served as a **CIPS trainer** at KISM and as an **SCM lecturer** at UON, JKUAT, Daystar University, and now a **Doctoral Fellow** at Strathmore University, where she has mentored and developed future supply chain leaders.
- She has held **supply chain management roles** across manufacturing, education, telecommunications, and banking, rising to senior management levels where she led procurement strategy, operational efficiency, and governance reforms.
- As a **pioneer Board Member** at KISEB and a **Board Member** of the Public Procurement Regulatory Authority (PPRA), she has contributed to strengthening institutional governance and regulatory oversight.
- She served as **Lead Judge** for the KISM SPURS Awards from 2020, 2021, 2022 and 2023 and as a panel judge in 2024, championing excellence in supply chain performance.
- At PPRA, she chairs the **Strategy and Resource Mobilization Committee**, driving efficiency, capacity-building, and strategic resource utilization.
- She **spearheaded the development of the National Curriculum** for procurement and supply professionals (APS and CPSP-K) in 2015, aligning training with global standards.

## “Promoting Professionalism in Supply Chain Management”

KISM Tower, 12<sup>th</sup> Floor | Ngong Road | P.O. Box 30400-00100 NBI, Kenya  
Mobile: +254111024800 | Email: [admin@kism.or.ke](mailto:admin@kism.or.ke) | Website: [www.kism.or.ke](http://www.kism.or.ke)

### **FELLOWSHIP CONFERNMENT CITATIONS**

- Developing and facilitating **Continuing Professional Development (CPD) programs for KISM practitioners**, enhancing competency, ethical practice, and leadership skills in the profession.
- Mentoring **emerging leaders through the KISM Mentorship Cohort**, fostering talent and professional growth across multiple sectors.
- Through **consultancy**, she has supported public, private, and international organizations in strengthening business management, supply chain efficiency, governance, and compliance.
- She continues to enhance **regulatory frameworks, professional standards, and best practices**, promoting transparency, accountability, and operational excellence.

In recognition of her exceptional contributions to education, governance, and the advancement of the supply chain profession, we proudly confer Fellowship upon **“Linda Susan Ingari.”**

## FELLOWSHIP CONFERNMENT CITATIONS

### 4. LAWY NYAMUNI AURA

#### Public Sector Supply Chain Consultant

“Distinguished guests, it is my honour to present **Lawy Nyamuni Aura**, a seasoned public sector supply chain professional whose career spans over **30 years** of exemplary service in procurement governance, policy development, and institutional capacity-building. Mr. Aura has been instrumental in shaping Kenya’s procurement legal framework, implementing donor-funded projects, and mentoring countless supply chain professionals, elevating the standards and professionalism of public sector operations.

He holds an **MBA in Supply Chain Management** and a **BA in Economics & Government from the University of Nairobi**, as well as a **Diploma in Purchasing & Supplies from the Kenya Institute of Administration**, and is a respected **member of KISM**.

Mr. Aura’s distinguished achievements include:

- Serving as **Head of the Procurement Unit at the National Treasury (2015–2021)**, where he strengthened compliance, accountability, and efficiency in government procurement operations.
- Acting as **Senior Assistant Director at the Ministry of Water**, managing and implementing multiple donor-funded projects, ensuring alignment with national procurement standards and governance requirements.
- Serving as a **Public Sector Consultant and PPRA Assessor**, including the internationally recognised Methodology for Assessing Procurement Systems (MAPS II), evaluating over **60 procuring entities for compliance with PPDA regulations**, enhancing transparency and professionalism.
- Contributing significantly to the development of the **Public Procurement and Asset Disposal Act (PPADA 2015) and its 2020 Regulations**, ensuring clarity, enforceability, and alignment with international best practices.
- Chairing the **Risk & Audit Committee at Pwani University**, where he implemented robust governance frameworks and internal controls.
- Mentoring procurement students and staff across national institutions, promoting capacity-building, ethical practice, and professional growth.
- Conducting **sensitization programs for national and county government entities** on procurement regulations, policy compliance, and digital procurement adoption.

**“Promoting Professionalism in Supply Chain Management”**  
KISM Tower, 12<sup>th</sup> Floor | Ngong Road | P.O. Box 30400-00100 NBI, Kenya

**FELLOWSHIP CONFERNMENT CITATIONS**

## FELLOWSHIP CONFERNMENT CITATIONS

### 6. DR. FRED ONGISA NYANG’AU

#### Chief Executive Officer, Kenya Institute of Supplies Examination Board (KISEB)

“Distinguished guests, it is my great honour to present **Dr. Fred Ongisa Nyang’au**, a leading authority in supply chain governance, professional regulation, and institutional capacity-building. With over **15 years of executive leadership experience**, Dr. Ongisa has significantly advanced the professionalism, credibility, and global competitiveness of Kenya’s supply chain management sector.

Dr. Ongisa holds a **PhD in Supply Chain Management and an MSc in Procurement & Logistics from JKUAT**, a **BEd (Arts) from Kenyatta University**, and a **Postgraduate diploma in Purchasing & Supplies from the Kenya Institute of Management**. He is a Certified PPP Professional (CP3P). He is also a dedicated **member of KISM**, reflecting his commitment to advancing supply chain professionalism across Kenya and beyond.

His remarkable contributions include:

- Established the **Examination Department at KISM**, which marked a transformative step in professionalising supply chain certification;
- Led the revitalization and modernization of **CPSP-K and APS-K syllabuses** and examination administration.
- **Operationalised the Kenya Institute of Supplies Examination Board (KISEB)** as a corporate entity, enabling independence, transparency, and enhanced institutional governance in examination administration;
- Serving as **Chief Executive Officer of KISEB**, where he has established a robust **examination framework** that enhance the credibility and recognition of professional certifications in the supply chain sector.
- Chaired the **National Supply Chain Management Competency Framework Taskforce**, which developed competency standards guiding training, assessment, and career progression for supply chain professionals nationwide.
- Leading the **Sustainable Public Procurement Taskforce**, which developed the Sustainable Public Procurement Framework.
- Led in the development and implementation of the **national policy on Recognition of Prior Learning (RPL) frameworks for KISEB/KISM and the Human Resource Management Professionals Examination Board (HRMPEB)**.
- Leading the conceptualization and implementation of **Southern Africa Public Procurement Training Academy**.

## **FELLOWSHIP CONFERNMENT CITATIONS**

- Acting as **external curriculum reviewer** for institutions including USIU-Africa, Technical University of Mombasa, Dedan Kimathi University of Technology, Chuka University, Moi University, and Taita-Taveta University, ensuring alignment with global standards and national needs.
- Publishing **course manuals, study guides, and academic papers**, strengthening the knowledge base and capacity of supply chain practitioners.
- Leading **national Treasury initiatives on capacity building** for public procurement reforms, influencing policy, training programs, and institutional improvements.
- Contributing to **legal reforms, SCM career progression guidelines, and professional standards**, promoting ethical practice, competence, and accountability in supply chain management.
- Designing and implementing **strategic plans, organizational policies, and institutional work plans**, fostering sustainable organizational growth and institutional excellence.
- Mentoring and training emerging supply chain leaders, ensuring the next generation of professionals is equipped with cutting-edge knowledge and practical skills.
- Driving KISEB’s vision to **strengthen professional certification, governance, and capacity-building initiatives**, positioning Kenya as a regional leader in supply chain education and practice.

In recognition of his **exceptional leadership, transformative contributions to supply chain professionalization, and unwavering commitment to governance and capacity-building**, we proudly confer Fellowship upon **Dr. Fred Ongisa Nyang’au.**”

## FELLOWSHIP CONFERNMENT CITATIONS

### 7. JOHN OCHIENG AUMA

#### Governance & Public Procurement Expert

“Distinguished guests, it is my honour to present John Ochieng Auma, a highly accomplished governance and public procurement expert whose illustrious career spans more than 20 years across Africa. Throughout his journey, Mr. Auma has supported governments, regional bodies, multilateral agencies, and international organizations in strengthening public sector institutions, transforming procurement systems, and advancing governance reforms.

Mr. Auma holds an LLM in Public Procurement Law & Policy from the University of Nottingham, an MA in Economics from the University of Nairobi, a CIPS Professional Diploma in Purchasing & Supply, and a BEd in Business Studies & Economics from Kenyatta University. He is a distinguished member of the Kenya Institute of Supplies Management (KISM), reflecting his deep commitment to professional excellence and ethical leadership in the supply chain profession.

Across the continent, Mr. Auma has left a remarkable footprint, delivering high-level expertise and reforms in Kenya, Malawi, South Sudan, Nigeria, Zambia, Rwanda, Uganda, The Gambia, and beyond. His outstanding contributions include:

#### Regional & Continental Milestones

- **South Sudan:** Provided technical assistance in public procurement reforms and institutional capacity building during the country’s post-conflict governance stabilization, supporting transparency and strengthening procurement oversight mechanisms.
- **Nigeria:** Advised on public sector health procurement strengthening programs, supporting reforms that enhanced compliance, accountability, and effectiveness of institutional procurement systems.
- **Zambia:** Supported public finance and procurement capacity-building initiatives targeting government ministries and agencies, contributing to improved service delivery and institutional efficiency.
- **Rwanda:** Conducted a comparative study on e-Government Procurement (e-GP) implementation, identifying global best practices that informed policy benchmarks and digital transformation strategies.

## **FELLOWSHIP CONFERNMENT CITATIONS**

- **Malawi:** Played a pivotal role in the review of the PPDA Act, drafting the national e-Government Procurement (e-GP) Policy, developing procurement review/audit manuals, and supporting contract management reforms at both national and sector levels.
- **The Gambia:** Designed a strategic roadmap for restructuring the Gambia Public Procurement Authority (GPPA), strengthening governance structures and enhancing procurement professionalism.
- **IGAD Member States:** Under an EU-funded programme, led regional initiatives that strengthened peace, stability, and institutional efficiency across the Horn of Africa through improved public sector supply chains.

### **National & Institutional Leadership**

- Strengthening county-level governance in Kenya through reforms, capacity building, and institutional support that enhanced professionalism and public service delivery at the devolved government level.
- Conducting a high-impact evaluation of KEMSA’s commodities programme, generating evidence that improved the health supply chain and informed crucial national decisions.
- Advising governments and regional bodies on procurement policy reforms, fostering harmonization, compliance, and strategic alignment with international standards.

### **Capacity Building & Professional Development**

- Developing capacity-building programs, competency frameworks, and training curricula that have shaped the next generation of procurement and governance professionals across Africa.
- Mentoring emerging leaders and nurturing talent in governance, procurement reform, institutional strengthening, and public sector transformation.
- Leading workshops, training-of-trainers (ToT) programs, and technical advisory missions that have significantly uplifted procurement practice across the continent.

## “Promoting Professionalism in Supply Chain Management”

KISM Tower, 12<sup>th</sup> Floor | Ngong Road | P.O. Box 30400-00100 NBI, Kenya

### **FELLOWSHIP CONFERNMENT CITATIONS**

- Mr. Auma’s career is defined by excellence, integrity, and unwavering dedication to strengthening governance and advancing public procurement professionalism. His work has transformed systems, inspired regional cooperation, and elevated standards across multiple countries.

In recognition of his extraordinary leadership, continental impact, and outstanding contribution to governance and public procurement, we proudly confer Fellowship upon **Mr. John Ochieng Auma.**”

## FELLOWSHIP CONFERNMENT CITATIONS

### 8. KIMANI MUEMA

Supply Chain Management & Professional Development Specialist

“Ladies and Gentlemen, it is my honour to present **Kimani Muema**, a distinguished supply chain management professional with **over 20 years** of dedicated service in governance, professional development, and institutional strengthening in Kenya and the region.

Mr. Muema holds a **Master of Science in Procurement & Logistics from JKUAT and a Bachelor of Arts degree from Moi University**. He is a proud member of CIPS-MCIPS and KISM-MKISM.

He has served in key leadership roles within KISM, including membership on the Elections Disciplinary and Resolution Committee and the Research & Consultancy Hub Task Force, as well as the Elections Appeals Committee. Mr. Muema has also lectured at Pwani University, Greta University, JKUAT, and the Management University of Africa, sharing his wealth of knowledge with the next generation of supply chain professionals.

His notable achievements include:

- Pioneering the e-GP rollout in Kenya as a Trainer of Trainers, which enhanced the digital procurement capacity nationwide.
- Developing procurement policies and SOPs for major organizations including DHL Supply Chain Leaf Logistics in Uganda, strengthening governance and operational efficiency.
- Developing documentation flow, controls and design inventory validation processes for the National Distribution Centre NDC, Acceler Global Logistics.
- Mentoring emerging supply chain professionals, particularly young leaders in schools and universities, including as Board Chair at St. Raphael Secondary School.
- Contributing to KISM’s institutional integrity, governance frameworks, and capacity-building initiatives.
- Leading professional development programs for hundreds of practitioners, significantly elevating the skills of Kenya’s supply chain workforce.

Today, we confer Fellowship upon **Kimani Muema** for his exceptional contributions to professional development, mentorship, and institutional excellence in supply chain management.”

## FELLOWSHIP CONFERNMENT CITATIONS

### 9. HENRY AUGUSTINE NYANG'OR

#### Procurement & Supply Chain Leader

“Distinguished guests, it is my privilege to present **Henry Augustine Nyang’or**, an accomplished procurement and supply chain leader whose career spans over **23 years** of exemplary service in governance, policy development, and multinational operational leadership. Mr. Nyang’or has significantly influenced professional standards, institutional integrity, and operational excellence in both national and international supply chains.

He holds an **MBA in Strategic Management from the University of Nairobi**, a **BCom in Accounting from Kenyatta University**, and is a **Member of CIPS** as well as a proud **KISM Fellow**.

Mr. Nyang’or’s distinguished contributions include:

- Serving as **Global Director of Inventory & Logistics Management at American Tower Corporation, overseeing 25 Countries in Africa, Europe, USA & Latin America**, and implementing governance, risk management, and efficiency frameworks for multinational supply chains.
- Leading the development and implementation of **vendor management programs, category management policies, and governance frameworks**, enhancing accountability, performance, and operational excellence across multiple jurisdictions.
- Contributing to **KISM governance and professional standards** as a member of the Interim KISM Council and an active participant in the Standards Committee.
- Mentoring and developing emerging supply chain leaders, fostering ethical practice, professional competency, and strategic decision-making across the sector.
- Driving initiatives in **policy development, supply chain professionalization, and capacity-building**, which have strengthened organizational integrity and performance.
- Championing the adoption of **best practices in supply chain operations**, ensuring transparency, efficiency, and sustainability in procurement and logistics.
- Supporting multinational organizations in **strategic planning, compliance enforcement, and risk management**, establishing benchmarks for operational excellence in Africa.

## FELLOWSHIP CONFERNMENT CITATIONS

### 16. CPSP ABDI ABDULLAHI HASSAN -KISM NO 67199

#### County Supply Chain Management Expert

“Distinguished guests, it is my honour to present **Abdi Abdullahi Hassan**, an accomplished and licensed procurement and supply chain professional with over **17 years** of progressive, hands-on leadership in supply chain management, public procurement, logistics, and humanitarian operations. Currently serving as the **County Director of Supply Chain Management** in the **County Government of Wajir**, Mr. Hassan has demonstrated exceptional competence in procurement reforms, systems strengthening, and strategic governance across complex and high-stakes environments.

His leadership has been pivotal in improving governance structures, elevating procurement audit and compliance outcomes, and safeguarding public resources. He has effectively represented the county before the **Senate** and other oversight agencies, consistently upholding transparency and accountability in public resource management.

Mr. Hassan has mentored many young supply chain professionals and introduced them to the **Kenya Institute of Supplies Management (KISM)**, ensuring that all management-level procurement officers in the County are members of the Institute. This commitment to professionalization has strengthened standards of practice, improved staff motivation and retention, and created a sustainable pipeline of competent practitioners fully aligned with the evolving expectations of the profession and KISM’s objectives.

His career reflects an unwavering dedication to **capacity-building, compliance, ethical practice, and institutional transformation**. Through structured training programs, performance coaching, and advocacy for professional standards, Mr. Hassan has significantly enhanced procurement capacity within Wajir County and beyond.

At senior levels—including Assistant Director, Deputy Director, and Director roles, as well as regional leadership positions in humanitarian logistics—Mr. Hassan has consistently delivered **strategic, innovative, and ethical supply chain solutions**. His impact extends across public institutions and regional humanitarian initiatives in **Kenya and Somalia**, contributing to improved governance, operational efficiency, and service delivery.

Mr. Hassan holds an **MBA in Procurement & Supply Chain Management** from the **University of Nairobi** and a **BBA in Finance** from **Zanzibar University**. He is a certified **CPSP-K** practitioner and a proud, licensed **Member in Good Standing** of the **Kenya Institute of Supplies Management (KISM)** since 2013.

#### His exceptional contributions and achievements include:

- **Serving as County Director of Supply Chain Management**, leading transformative reforms that elevated Wajir County’s procurement function to national recognition.

## **FELLOWSHIP CONFERNMENT CITATIONS**

- **Leading Wajir County to win the Best County Supply Chain Function Award in 2024**, demonstrating exemplary governance, operational efficiency, and adherence to best practices.
- **Implementing IFMIS-based procurement systems**, significantly enhancing transparency, accountability, and the overall effectiveness of procurement processes.
- **Developing and leading capacity-building and mentorship programs** for county procurement teams, fostering professional growth and strengthening institutional capability.
- **Spearheading the development of county procurement policies**, operational guidelines, and compliance frameworks that align with national legislation and international standards.
- **Contributing to research and academic scholarship**, including authoring a widely referenced MBA dissertation on procurement practices in Kenya’s public corporations, which has informed reforms within state institutions.
- **Advising regional humanitarian supply chain operations** across Kenya and Somalia, ensuring effective resource allocation and operational excellence in both emergency and development contexts.
- **Promoting ethical, transparent, and professional procurement practices**, setting benchmarks that continue to inspire other counties.
- **Serving as a thought leader and mentor**, shaping the next generation of supply chain professionals through coaching, structured training, and continuous professional development.

Beyond operational excellence, Mr. Hassan has championed **knowledge advancement, ethical leadership, and professional mentorship** within the supply chain fraternity. His commitment to strong governance, evidence-based decision-making, and institutional strengthening has elevated both the capacity and credibility of procurement systems under his stewardship.

In recognition of his **exceptional leadership, transformative impact on county procurement, and unwavering commitment to professionalism, innovation, and capacity-building**, we proudly confer **Fellowship upon Abdi Abdullahi Hassan.**”

## FELLOWSHIP CONFERNMENT CITATIONS
