13th January 2026

Dear Sir/Madam,

UNDERSTANDING PROCUREMENT PROCESSES IN THE EGP SYSTEM, FROM 23RD – 27TH FEBRUARY 2026 IN ELDORET.

The Kenya Institute of Supplies Management (KISM) is the national body for professionals in procurement and supply chain management in Kenya. The Institute's mandate is derived from the Supplies Practitioners Management Act No. 17 of 2007.

In light of the Government's implementation of the Electronic Government Procurement (e-GP) System, there is a growing need for procuring entities and key stakeholders to continually upskill and deepen their understanding of how to effectively operate and apply procurement processes within the platform. Effective utilization of the e-GP system is essential in promoting transparency, efficiency, accountability, and full compliance with the Public Procurement and Asset Disposal Act, 2015 and its accompanying Regulations. This training is designed to equip participants with practical, hands-on knowledge of the entire procurement lifecycle, including planning, sourcing, contract management, and reporting, as conducted through the e-GP system.

This workshop is suitable for professionals involved in public procurement and regulatory compliance, suppliers and vendors, supply chain and procurement managers and officers, auditors, compliance officers, IT professionals, and data analysts. Participants are required to register by booking online via <https://events.kism.or.ke/events>.

The following workshop fee caters for the training sessions and materials, meals, and refreshments for the duration of the conference:
