

KENYA INSTITUTE OF SUPPLIES MANAGEMENT

Promoting Professionalism in Supply Chain Management

QUALITY POLICY

The Vision of the Institute is to be a **model Institute** fostering competence and ethics in supply chain management.

The Institute is committed to consistently meet stakeholders' expectations, comply with statutory and regulatory requirements, including the requirements of the Standard and continually improve through effective quality management practices.

The quality policy of the Institute covers the training, registration, licensing, discipline and regulation of supply chain management practitioners in Kenya. This policy also provides a framework for establishing, reviewing and achieving quality objectives at relevant functions and levels within the Institute.

This quality management policy is designed in accordance with the **ISO 9001:2015** Standard and is implemented across all functional areas of KISM.
